**Subject:** HQ review for Riverside

Hi Chloe,

Can you forward the attached PRAP for Riverside to HQ for their review? Please mention that we had TWR helped (← im sure this is not the right acronym but they are the really smart folks at HQ who help with the risk analysis for lead). Please feel free to add anything else that may help their review. Please ask that they send any comments in a week, 7/9.

Thanks!

Josh
